

FINISH LANTAI L11:200 · Lantai 1 - Kerja & Kunjungan

FINISH LANTAI L21:200 · Lantai 2 - Rekreasi

LEGENDA FINISH LANTAI (finish.floor di world.json)

| Finish                       | Ruang | Luas m <sup>2</sup> | Kontras teks |
|------------------------------|-------|---------------------|--------------|
| vinyl motif kayu             | 12    | 743,50              | 9,6:1        |
| karpet tile matte            | 8     | 361,00              | 10,0:1       |
| keramik anti-slip            | 5     | 139,00              | 10,5:1       |
| -(tanpa finish: shaft/riser) | 4     | 8,00                | 12,5:1       |
| epoxy                        | 3     | 63,00               | 10,0:1       |
| vinyl anti-statik (target)   | 3     | 85,50               | 10,4:1       |
| deck komposit                | 2     | 86,50               | 11,0:1       |
| lantai karet olahraga        | 1     | 49,50               | 9,5:1        |

Total luas 1536,00 m<sup>2</sup> (dua lantai), 38 ruang.

CATATAN

- Warna = finish lantai per ruang dari world.json; finish dinding dan plafon tercantum di A-103.
- Finish adalah proposal konsep (status ruang 'proposal konsep'), bukan spesifikasi material.
- Luas as-drawn di as dinding (AS-DIM-02); ukuran gedung proposal (AS-DIM-01, AS-DIM-03).
- Kontras teks dihitung (WCAG) terhadap setiap warna isi; minimum 4,5:1.

STATUS KONSEP

Bukan untuk konstruksi

kantor-rpg Proyek kantor-rpg - gedung KRPG-01
